

How to Connect to IIUM-Student Wi-Fi

To access **IIUM-Student Wi-Fi**, follow these steps on your device (laptop, smartphone, or tablet):

Step 1: Select the Correct Wi-Fi Network

1. Go to your device's **Wi-Fi settings**.
 2. Look for the network:
 - **SSID (Network Name):** IIUM-Student
 - **Security Type:** Open (no password initially).
-

Step 2: Log In with Your IIUM Credentials

1. After connecting, open a **web browser** (Chrome, Safari, Edge, etc.).
2. You will be **automatically redirected** to the **IIUM Wi-Fi login page**.
 - If not, manually visit: <http://captive.apple.com> (for iOS) or any non-HTTPS site (e.g., <http://example.com>).
3. Enter your login details:
 - **Username:** Your **matric number** (e.g., [G1234567](#)).
 - **Password:** Same as your **i-Ma'luum password**.
4. Click "**Login**" or "**Connect**".

☑ **You should now be connected!**

Step 3: Troubleshooting (If Connection Fails)

❑ No login page appears?

- Disable **mobile data/VPN**.
- Clear browser cache or try a different browser.

❑ "Authentication failed"?

- Reset your **i-Ma'luum password** at:
<https://passwordreset.iium.edu.my>
- Contact **ICT Help Desk** if locked out.

❑ Limited/No Internet?

- **Forget the network** → Reconnect.
- Restart your device.

Important Notes

❑ **Valid only for IIUM students** (staff must use `IIUM-Staff`).

❑ **Do not share your credentials** – misuse may lead to **account suspension**.

❑ **Report dead zones** via i-FIRST.

Need Help?

- **ICT Help Desk** (Gombak): ☎ **03-6421 6666**
