

# 8. STUDENT ACTIVITY RECORD SYSTEM (STARS)

- 8.1 Function of STARS
- 8.2 Management of STARS

# 8.1 Function of STARS

STARS is a web-based programme used to manage societies and clubs such as register a new society and record the activities of societies or club and the participants were given point based on their commitment. STARS also used as documentation of student activities such as printing the student activities transcript and also used as reference to Students' Award.

## 8.2 Management of STARS

All programmes are to be recorded in the **STARS** by the staff in-charge. Depending on who organises the programme, the record entry is made at:

1. STADD for student organisation supervised by STADD.
2. Sports Development Centre (SDC) for sports and recreational based programmes.
3. Respective Office of the Deputy Dean in-charge of student affairs for kulliyah-based societies.
4. Respective Office of the Mahallah for Mahallah-based activities.
5. Office of International Affairs (OIA) for student organisation supervised by OIA.
6. Centre for Community Engagement and Services (CENSERVE) for community services activities.
7. Entrepreneurship Development Centre (EDC) for entrepreneurship activities.
8. IIUM World Debate and Oratory Centre (IWON) for debating activities.
9. Centre for Arts & Cultural Sustainable Development (CiTRA) for cultural activities
